RE: FY 13/14-12 – SALE OF 97 GRANBY STREET

Please review the attached memorandum dated June 7<sup>th</sup> from Jose Giner regarding the sale of 97 Granby Street. As you know, we issued a Request for Proposal in April 2016 to which we received two. Both proposals were reviewed and it was determined that the one submitted by Kong Real Estate LLC was responsive to the requirements stated.

We are asking to the Town Council to accept the proposal by Kong Real Estate LLC.

Should Council wish to move forward, the following motion would be in order:

*Move to accept the proposal by Kong Real Estate LLC and direct Staff and the Town Attorney to negotiate a purchase and sale agreement.*

## Memorandum

**To:** Philip K. Schenck, Jr., Town Manager  
**From:** José Giner, AICP, Director of Planning and Economic Development  
**Date:** June 7, 2016  
**Re:** Sale of 97 Granby Street

---

In April the Town of Bloomfield issued RFP #1070 to solicit proposals for the sale of Town owned property at 97 Granby Street. The RFP was advertised as required and sent to all property owners of record along Granby Street and Tobey Road.

The Town received two proposals before the deadline:

The first was by Kong Star Real Estate LLC through its Attorney Aaron J. Romano. Kong Real Estate LLC is located at 6 Tobey Road, adjacent to the subject property. Kong Real Estate submitted a proposed price of \$65,000 for the property. The proposed use of the property would be parking for a proposed restaurant/jazz club that would be located at 6 Tobey Road.

The second proposal was submitted by BESA Real Estate, LLC located at 45 Wintonbury Avenue in Bloomfield. BESA Real Estate submitted a proposed price of \$5,000 but did not identify a proposed use for the property in their submittal, which was a requirement of the RFP.

Both Nancy Haynes and I reviewed the proposals and determined that the one submitted by Kong Real Estate LLC was the only one that was responsive to the requirements as stated in the RFP. Additionally, the price offered is favorable to the Town and the proposed use is in conformance with the I-1 zone of the Town of Bloomfield zoning regulations.

We therefore recommend that the Town Council accept the proposal by Kong Real Estate LLC and direct Staff and the Town Attorney to negotiate a purchase and sale agreement that fully satisfies the requirements of the RFP, including but not necessarily limited to, the Town retaining the right to use 97 Granby Street as a staging area for the reconstruction of Granby Street.

Please note that at their September 24, 2015 meeting the Town Plan and Zoning Commission gave a favorable recommendation to the sale pursuant to Section 8-24 of the CT. General Statutes.

PROPOSED RESOLUTION:

**TO ACCEPT THE PROPOSAL SUBMITTED BY KONG STAR REAL ESTATE IN RESPONSE TO RFP#1070 AND DIRECT STAFF AND THE TOWN ATTORNEY TO NEGOTIATE A PURCHASE AND SALE AGREEMENT IN ACCORDANCE WITH SAID RFP FOR FINAL COUNCIL APPROVAL.**

**Re: RFP #1070; Sale of 97 Granby Street**

Dear Purchasing and Risk Manager:

Mr. Kong respectfully submits the following proposal for your consideration:

A. Terms of the Offer:

1. The proposed buyer is Shawn Kong, as principal of Kong Star Real Estate LLC.
2. Mr. Shawn Kong agrees to offer \$65,000.00 (SIXTY FIVE THOUSAND DOLLARS) for the purchase of 97 Granby Street subject to the following conditions set forth below:
  - a. \$6,500.00 (SIX THOUSAND FIVE HUNDRED DOLLARS) already having been tendered by way of certified check.
  - b. The remainder is to be paid in two equal installments of \$29,250.00 (TWENTY NINE THOUSAND TWO HUNDRED FIFTY DOLLARS). The first installment shall be payable immediately upon execution of the purchase and sale agreement. The second installment shall be payable when the Town of Bloomfield has concluded utilizing the location of 97 Granby Street as a staging area for proposed construction of Granby Street, and has done so by way of written notification to the buyer.
3. The buyer agrees to the Conditions set forth in RFP #1070 §13.
4. The buyer further agrees to conditions set forth in §13.h subject to the 18 month development requirement commencing from the time that the Town of Bloomfield concludes its use of 97 Granby Street as a staging area for the proposed re-construction of Granby Street, and has provided written notification of the same to buyer.

B. Plan of Development

Mr. Kong owns the property located at 6 Tobey Road, the property that immediately abuts 97 Granby Street. See Appx A, B. Mr. Kong purchased the property at 6 Tobey Road with the

intention of opening an upscale restaurant bar and grill, *Crescendo*. *Crescendo* will feature live music, with a focus on jazz. In Bloomfield, there are only two venues featuring live music, one on Friday nights in a pizza parlor, and another for Sunday brunch. *Crescendo* will complement these venues, offering consistent performance space to a variety of artists. Mr. Kong intends on owning and operating *Crescendo*. *Crescendo* will provide Bloomfield and surrounding residents with fine dining and live music every evening.

---

Mr. Kong currently resides in Windsor, and operated two family owned restaurants. Beginning in 1999, Mr. Kong operated one restaurant in Windsor and one in Hartford, CT. He has since sold his interest in those restaurants and is seeking to open a restaurant featuring live music. He recognizes that Bloomfield is an increasingly sought after destination for dining, but it lacks any venue featuring live music on a daily basis. His passion is to bring a restaurant to Bloomfield where area residents, Bloomfield employees, University of Hartford students, and their families, can enjoy fine dining and live music.

Less than one half a mile away from the proposed site is the University of Hartford, with a nationally recognized conservatory. Mr. Kong's intention is to develop an informal partnership with the jazz department and provide the conservatory students with a venue to showcase their music. Since *Crescendo* will function as a restaurant, people of all ages (including conservatory students under the age of 21) will be able to participate and share the performance space. University of Hartford conservatory students and faculty members currently have working relationships with Black Eyed Sally's and Mr. Kong will make similar financial arrangements for this proposed partnership with *Crescendo*.

Furthermore, Mr. Kong's involvement in the music industry has provided him with access to state of the art recording equipment. His intention is to install this equipment on the sound stage to provide artists with an opportunity to record their music during their performances.

The target market incorporates Bloomfield's diverse population, the baby-boomer generation who are jazz aficionados, the African American population who shares the history of pioneering jazz music, younger University students who can showcase their talent, and families who can enjoy live entertainment in a convenient, and safe location. By serving this diverse clientele, Mr. Kong has created a successful business model.

With the numerous business operating on Granby Street, *Crescendo* will be able to supply a convenient healthy lunch alternative.

Moreover, *Crescendo's* partnership with the University of Hartford will foster further collaborative working relationships between the Town and the University. Currently, there are no sit down restaurants and/or live music venues in Bloomfield's Southeast corner, thus *Crescendo* will provide incentive for University of Hartford students to frequent the Southeast corner. Recognizing the success of the Thomas Hooker Brewery on Tobey Road, the age limitations inherent in operating

a bar mean that a large percentage of the University of Hartford population will still have no cause to go to Bloomfield's Southeast corner. This in turn will result in a spillover effect to the district on Blue Hills.

The Blue Hills commercial district is actively seeking commercial development, development that will not be economically supported if the Southeast corner remains merely an industrial zone. Having an upscale restaurant and live music venue will improve the character of the area entirely, changing its character from a purely industrial zone to a retail and commercial zone to be frequented by the community. (The current zoning as IND-1 permits the operation of a restaurant bar and grille at the proposed site for *Crescendo*) This will undoubtedly garner increased community support for the nearby proposed Blue Hills Avenue streetscape program.

As the town is undoubtedly aware, there are a number of undeveloped properties on Tobey Road. Facilitating the success of one business on Tobey Road will make those undeveloped properties more desirable to potential commercial buyers.

The property at 97 Granby Street will be developed as a parking lot for *Crescendo*. If *Crescendo* is permitted to function, it will bring increased tax and business revenue to Bloomfield. We believe it may spur on increased interest and further development of the Southeast business district of Bloomfield. We recognize that the town has invested significant resources toward business development in the Southeast corner, such as expanding the permitted uses (to include restaurants) and the upcoming excavation of Granby Street. It is our hope that *Crescendo* continue the successful, innovative business development in the Southeast corner.

*Crescendo*'s location, 6 Tobey Road, does not currently have sufficient parking to permit its use as a restaurant bar and grill. However, 97 Granby Street, an undeveloped parcel owned by the town, immediately to the east of 6 Tobey Road, is perfectly situated to serve as a parking lot for *Crescendo*. Without 97 Granby Street, the business purpose of 6 Tobey Road will not be achieved and the potential economic and cultural benefits to the Town of Bloomfield will be lost.

Attached, you will find professionally prepared preliminary plans for proposed site layout. Appx. C. It is estimated that developing the property as proposed should cost between \$50,000.00-\$60,000.00. The attached preliminary plan estimate for the development of 97 Granby Street Attached, you will find a more basic sketch (not to scale) of the restaurant layout. Appx. D.

#### C. Employment Opportunities for Local Residents

Mr. Kong plans on managing the restaurant's day to day operations. Employment opportunities for cooks, kitchen help, servers, bartenders, and hostesses will be preferred for local residents. Local residents will have a shorter commute to work and it will be more likely that they will be able to pick up shifts upon short notice if necessary. The location is also served by the Connecticut Transit 74 Bus line.

D. Planning and Zoning

The business plan to convert 6 Tobey Road into a restaurant is unworkable unless adequate parking is available. Currently, 6 Tobey Road has room for 9 parking spaces. Under the current Zoning Regulations, §6.2.D.1., this would permit a maximum of 36 patrons, not including employees. Simply stated, if 97 Granby Street is unavailable to 6 Tobey Road (the immediate abutting property), the business plan for 6 Tobey Road fails and Mr. Kong will be forced to sell the property and seek another location for his restaurant. Mr. Kong sees promise in beginning development of a commercial enterprise in this area and hopes that this spurs on further economic growth for the Town of Bloomfield.

The preliminary plans, provided as Appx.s C and D, are proposals designed to comport with the current zoning regulations for the Town of Bloomfield. The lot located at 97 Granby Street will be purchased by an individual legal entity and its primary purpose will be for parking. See Bloomfield Zoning Regulations §4.3.C.3.e. 97 Granby Street will be leased by the restaurant located at 6 Tobey Road and the restaurant's zoning approval will be contingent upon 97 Granby Street functioning as its parking lot. See Bloomfield Zoning Regulations §6.2.L.1.b. Alternatively, the two properties may be merged and a variance sought. See Bloomfield Zoning Regulations §4.3.B.1.

E. Prior Experience

In 1999, Mr. Kong opened two restaurants with his brother, one in Windsor and the other in Hartford. The restaurant location in Windsor closed. He has sold his interest in the restaurant (Island Cuisine) in Hartford. Recently, he acted as a business consultant for a currently successful restaurant located on the Bloomfield/Hartford border on Blue Hills Avenue (Island Vibes). His current vision is to open *Crescendo*, a restaurant and live music venue on 6 Tobey Road.

Mr. Kong, as principal of Kong Star Production, LLC, formerly Island Star Records LLC and Island Star Production, LLC, has also been involved for over a decade in music promotion, production and representation of artists domestically and internationally. He often collaborates with internationally renowned saxophone jazz artist Dean Fraser.

F. Financial Capacity

Between Mr. Kong's current business operations and his investment portfolio, he can accommodate the purchase price and proposed development of 97 Granby Street.

G. Request for Right of First Refusal

Mr. Kong, as an abutting property owner, respectfully requests that the Town exercise its discretion to offer a right of first refusal under §11.d of the RFP.

H. Anti-collusion Statement

In conformance with RFP #1070 §13.f and §14, by his signature, the undersigned buyer hereby certifies that no official or employee of the Town of Bloomfield has a pecuniary interest in this proposal and that this proposal is made in good faith without fraud or collusion or connection with any person submitting a proposal.

RE: FY 15/16-76 – ADOPTION OF RESOLUTION (AMEND MILL RATE FOR MOTOR VEHICLES: SENATE BILL 502)

Please review the attached memorandum dated June 6<sup>th</sup> from Bill Hogan and the resolution prepared by Town Attorney Needelman.

As you know, the State recently reduced the motor vehicle grant funding and raised the mill rate threshold to 37.0 mills. Senate Bill 502 requires that municipalities which set their FY 2016-2017 motor vehicle rate at 32 mills prior to passage of the State budget bill to instead set their motor vehicle mill rates at the mill rate they previously set for real and personal property (36.65).

Should Council wish to move forward, the following motion would be in order:

***RESOLVED**, that the mill rate for motor vehicles located within the Town for the 2015 assessment year (FY 2016-2017) shall be 36.65 per \$1,000.00 taxable value*

**Department of Finance**  
**INTERDEPARTMENTAL MEMORANDUM**

To: Bloomfield Town Council  
From: William J. Hogan, Director of Finance  
Date: June 6, 2016  
Re: Resolution to amend mill rate for Motor Vehicles: S.B. 502

---

Attached is a resolution prepared by Town Attorney Needelman which adjusts the 2016-17 mill rate for motor vehicles from 32.0 mills to 36.65 which makes it consistent with the rate approved by the Town Council for the Town's real and personal property levies. Senate Bill 502 allows this action to be done administratively by local legislative bodies precluding the need to re-open the budget process.

By way of background, previously approved State legislation required that municipalities with mill rates in excess of 32.0 mills to "cap" their motor vehicle levy at 32.0 mills; the State was to provide a grant to partially offset the loss tax revenue from the capped amount. During the final days of the legislative session as its fiscal condition continued to erode, the State reduced the motor vehicle grant funding and raised the mill rate threshold to 37.0 mills. Since the 2016-17 Bloomfield Town Budget levy of 36.65 is under the threshold no grant, which was estimated at \$455,000, will be forthcoming. This loss will be offset by the higher mill rate being incorporated here.

Passage of the resolution at the June 13<sup>th</sup> meeting is recommended to allow our Tax Office staff sufficient lead time to generate tax bills for July 1<sup>st</sup>.

**RESOLUTION**

**WHEREAS**, the Bloomfield Town Council adopted its budget and mill rates for FY 2016-2017 on May 2, 2016, based upon the expectation of certain actions by the Connecticut State Legislature regarding the authority to tax motor vehicles and the reimbursement by the State of Connecticut of revenue lost by the Town caused by a change in the taxation of motor vehicles; and

**WHEREAS**, the State Legislature adopted the State budget contrary to the expectations that were relied upon by the Town in establishing the budget and mill rate for FY 2016-2017; and

**WHEREAS**, Senate Bill 502 requires that municipalities which set their FY 2016-2017 motor vehicle rate at 32 mills prior to passage of the State budget bill to instead set their motor vehicle mill rates at the mill rate they previously set for real and personal property other than motor vehicles for the 2015 assessment year; and

**WHEREAS**, Senate Bill 502 authorizes the Town to adjust its motor vehicle mill rate "administratively" through action by its Town Council.

**Now Therefore be it**

**RESOLVED**, that the mill rate for motor vehicles located within the Town for the 2015 assessment year (FY 2016-2017) shall be 36.65 per \$1,000.00 taxable value.

RE: FY 15/16-79: TAX SUSPENSE LIST

Please see the attached memorandum dated June 8<sup>th</sup> from Tax Collector Jean Kitchens requesting that uncollected motor vehicle and real estate taxes which appear on the 2002-2014 grand lists be transferred to the suspense list.

Should Council wish to move forward, the following motion would be in order:

***RESOLVED**, That the Bloomfield Town Council hereby authorizes transfers in the amount of \$387,384.99 to the Suspense Tax Book for the years listed (2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014). This action is being taken upon the recommendation of the Tax Collector and as shown in a reported dated June 8, 2016.*

To: Bloomfield Town Council  
From: Jean G. Kitchens, Tax Collector  
Date: June 8, 2016  
RE: Tax Suspense List

Attached hereto is the list of uncollected Motor Vehicle and Real Estate taxes which in my estimation are uncollectible. In accordance with State Statute this list must be presented to you. These are taxes which appear on the 2002 through 2014 Motor Vehicle and Real Estate Grand Lists.

Transferring these accounts to suspense does not mean that we cannot collect them if the taxpayer does reappear. We will continue to use all collection methods available to collect these debts. However, this transfer gives a more accurate picture of our accounts receivable.

This year I have included Real Estate tax bills for properties that either have been abandoned, the owner has passed away, we were unable to locate the owner as well as the two properties that were sold at tax sale last year for less than the taxes that were owed.

I believe that these taxes must be considered uncollectible at this time and therefore submit them under Connecticut General Statutes, Section 12-165.

Re: May Monthly Financial Report 2015-16

---

Attached is a statement of Revenue and Expenditures thru the month of May.

As fiscal year 2015-16 nears closing, the major variances continue to be on the revenue side of the budget with a projected net increase of \$2.5 million due primarily to the surge in building permit activity as well as income from the real estate conveyance tax. These two accounts are projected to exceed their original estimates by \$1.6 million and \$500,000 respectively. The property tax category is up approximately \$650,000 as the Town is expected to achieve a 98.8% collection rate.

On the expenditure side, there are few variances which were covered by Council transfers or within the departments.

Revenues

Tax Collections

- The tax collection rate thru May is 98.79%. The impact of the October 1st tax sale added an estimated \$140,000 increase in the prior year levies account and supplemental motor vehicle is up \$140,000 due to higher assessments.

Building Permits

- Building Permit income has year- to- date revenue of \$2.4 million, well in excess of the original estimate of \$800,000. Major projects that have made application include Deringer-Ney, Niagara, Seabury and CIGNA.

State Aid

- The Town has suffered approximately \$200,000 in current year State aid reductions due to the Governor's recent budget adjustments to help balance the FY 16 State budget. The largest decrease was to the State-owned PILOT grant of \$107,000 and the PILOT grant for Interfaith Housing was eliminated for a loss of \$50,000.
- We have increased revenue of approximately \$500,000 in the real estate conveyance account due to a very high volume of real estate transactions this year.

Expenditures

- Police OT is consistent with estimates and is being monitored closely by Police Administration.
- The Town-wide Contingency with an original budget of \$200,000 was partially utilized for earlier transfers, has a balance of \$61,000.
