KNOW ALL MEN BY THESE PRESENTS, that DERINGER-NEY INC., a Connecticut corporation, with its principal office located at 2 Douglas Street, Bloomfield, Connecticut 06002 (hereinafter referred to as "Grantor") for the consideration of One (\$1.00) Dollar and other good and valuable consideration received to its full satisfaction of the TOWN OF BLOOMFIELD, a municipal corporation having its territorial limits within the County of Hartford and State of Connecticut (hereinafter referred to as "Grantee" or "Town"), does hereby give, grant, bargain, sell and convey unto the Grantee, its successors and assigns forever, a perpetual Conservation Easement within the terms of Connecticut General Statutes Section 47-42a. through 47-42c. in, over, along and across a certain piece or parcel of land situated in the Town of Bloomfield (the "Easement Area") which is shown as the "PROPOSED CONSERVATION EASEMENT AREA 143,185 S.F. 3.287 AC." on the map entitled: "EASEMENT MAP DEPICTING PROPOSED CONSERVATION EASEMENT PREPARED FOR: TOWN OF BLOOMFIELD 2 MUCKO ROAD BLOOMFIELD CONNECTICUT, SCALE 1"=40'" dated: February 4, 2015, Scale: 1"=40' and prepared by: Milone & MacBroom, Inc. (the "Map"), which has or will be filed with the Bloomfield Town Clerk's office. The Easement Area is approximately 3.287 acres and is more particularly described on Exhibit A attached hereto and made a part hereof. The Easement Area is over the westerly portion of a larger parcel known as 353 Woodland Avenue (formerly 2 Mucko Road), Bloomfield, Connecticut which is approximately 21.1 Acres.

The Grantee, acting through its Inland Wetlands and Watercourses Commission and/or Conservation Committee, has determined that the conservation of the Easement Area as Open Space would be in the Public Interest, and that the preservation and maintenance of the Easement Area in its natural condition can best be accomplished by securing, by the Grantee of a conservation easement over, across and upon the said property of the Grantor.

The purpose of this Easement is to retain said land predominantly in its natural scenic and open condition and to protect the natural and watershed resources of the Town of Bloomfield, pursuant to the provisions of Section 47 - 42a. through 47 - 42c. of the Connecticut General Statutes. The enforcement of this Easement shall be administered by the Town of Bloomfield through its Inland Wetlands and Watercourses Commission.

The easement is also for the purpose of retaining the conservation area as a wildlife habitat or sanctuary in its present condition palustrine forested wetlands and its future condition as will naturally occur with no interference or disturbance.

The Grantor, for itself and its successors and assigns, covenants and agrees:

1. The easement shall be used for conservation, educational, and limited (passive) recreational purposes only.
2. The easement area shall not be subdivided, now or hereafter, in order that the aims set forth in the above declaration shall be placed in jeopardy.
3. Except as provided herein, no alteration shall be made to the surface of the easement, other than that caused by the forces of nature, unless specifically authorized in writing from the Wetlands Commission.
4. There shall be no use of pesticides, poisons, biocides, herbicides or fertilizers, except as provided in the Pesticide/Herbicide and Fertilization Plan as approved by the Wetlands Commission.
5. In the event that any materials are placed on this easement in violation of this document, the Grantor, upon notice from the Grantee, will remove said material within twenty-one (21) days of such notice.

Furthermore the Grantor, for itself and its successors and assigns, covenants and agrees that it will not conduct, order or permit any of the following activities on the above described parcel of land:

1. The construction or placing of buildings, roads, signs, billboards, or other advertising material, utilities or other structures on or above the ground;
2. The dumping or placing of soil or other substances or material as landfill, or the dumping or placing of trash, waste or other unsightly and offensive materials;
3. The removal or destruction of live trees, shrubs, plants or other vegetation;
4. The excavation, dredging or removal of loam, peat, gravel, soil, rock or other substances in such manner as to affect the surface;
5. Surface use except for outdoor recreational purposes while permitting the land to remain predominantly in its natural condition;
6. Activities detrimental to drainage, flood control, water conservation, erosion control or soil conservation;
7. Manipulation or alteration of natural watercourses, marshes, or other water bodies;
8. The hunting of wildlife;
9. Any other acts or uses detrimental to the retention of said land in its natural, scenic and open condition; and
10. The operation of vehicles, snow mobiles, dune buggies, motorcycles, mini-bikes, go-carts, all-terrain vehicles, or any other type of motorized vehicle.

The Grantor shall place, or cause to be placed, permanent markers in the field to monument the corners of the easement, and at all property line - easement line intersections. Suitable warning signs, in a form approved by the Town shall be set near the easement corners and along the easement lines no further than 300 feet apart.

Notwithstanding the foregoing, the Grantor reserves the following rights: (a) to enter the Easement Area to construct, operate, repair, replace, and maintain a stormwater drainage system

that will discharge into the Easement Area; (b) to enter the Easement Area to construct, operate, repair, replace, and maintain impacts related to the approved site development of no more than 2.1 Acres within the upland review areas 100 feet from the wetlands and/or 200 feet from watercourses; and (c) to enter and allow others to enter the Easement Area, to construct, use, replace, reconstruct and maintain upon, under, over and through the Easement Area, the sanitary sewer system located within or partially within the Easement Area as shown on the Map. The aforementioned reservations (a) and (b) are pursuant to the approval for Town of Bloomfield Wetlands File #75-2014-15 which was approved with conditions by the Town of Bloomfield Inland Wetlands and Watercourses Commission on January 20, 2015. The aforementioned reservation (c) is pursuant to a 20 foot wide sanitary sewer system in favor of (i) the Town of Bloomfield by easement dated June 8, 1970 and recorded June 12, 1970 in Volume 128, Page 206 of the Bloomfield Land Records, and (ii) The Metropolitan District by easement dated August 25, 1970 and recorded August 26, 1970 in Volume 129, Page 109 of the Bloomfield Land Records.

The said Town is further granted an easement to enter the above described premises, by its duly elected or appointed officials, its employees and agents, at reasonable times, upon prior reasonable written notice to and the consent of Grantor, which consent shall not be unreasonably withheld, for the purpose of inspecting the premises and enforcing the provisions of this Easement, to assure the protection of its open condition, water quality, natural vegetation, and wildlife habitats. The right hereby granted shall be in addition to any other remedies available to the Town for the enforcement of the provisions of this Easement. The Town agrees that each such entry is at its own risk and further agrees to hold the Grantor harmless for injury to person or property occasioned by the Town's entry upon the premises by its officials, its employees and agents as aforesaid. Grantee shall not interfere with Grantor's exclusive use and quiet enjoyment of the Property.

This easement shall run with the land and shall bind the Grantor, its successors and assigns, and shall inure to the benefit of the general public and the inhabitants of the Town of Bloomfield, in perpetuity, provided however, that nothing contained shall be construed as granting to the public the right to enter said premises or Grantor's remaining property for any purpose whatsoever. Grantor expressly reserves the exclusive right of possession to the entire Property.

If said premises, or any part thereof, shall be taken by condemnation, this Easement shall terminate automatically as to that property taken so that the Grantor, or its successors or assigns, may be as fully compensated as though this Easement had never been granted.

The Grantor reserves the right to itself, its successors and assigns forever, to use said land for any uses and purposes which do not in any way interfere with the purpose for which this Easement is granted.

RE: FY14/15-63: TAX SUSPENSE LIST

Please see the attached memorandum dated June 3rd from Tax Collector Jean Kitchens requesting that uncollected motor vehicle and personal property taxes which appear on the 2008-2012 grand lists be transferred to the suspense list.

Should Council wish to move forward, the following motion would be in order:

***RESOLVED**, That the Bloomfield Town Council hereby authorizes transfers in the amount of \$226,701.58 to the Suspense Tax Book for the years listed (2008, 2009, 2010, 2011, 2012). This action is being taken upon the recommendation of the Tax Collector and as shown in a reported dated May 29, 2015.*

To: Bloomfield Town Council
From: Jean G. Kitchens, Tax Collector
Date: June 3, 2015
RE: Tax Suspense List

Attached hereto is the list of uncollected Motor Vehicle and Personal Property taxes which in my estimation are uncollectible. In accordance with State Statute this list must be presented to you. These are taxes which appear on the 2008 through 2012 Motor Vehicle and Personal Property Grand Lists.

Transferring these accounts to suspense does not mean that we cannot collect them if the taxpayer does reappear. We will continue to use all collection methods available to collect these debts. However, this transfer gives a more accurate picture of our accounts receivable.

I believe that these taxes must be considered uncollectible at this time and therefore submit them under Connecticut General Statutes, Section 12-165.

MEMORANDUM

TO: Town Councilors
FROM: Philip K. Schenck, Jr., Town Manager
DATE: June 5, 2015
RE: FY 14/15-64: REAL ESTATE TAX ABATEMENT

Please see the attached memorandum dated June 3rd from Tax Collector Jean Kitchens requesting tax abatement on two Town of Bloomfield properties.

Should Council wish to move forward, the following motion would be in order:

Move to abate the Town of Bloomfield taxes for the property located at Lisa Lane (Parcel 90-4 131-3 1200) in the amount of \$889.47 and the property at Blue Hills Avenue (Parcel 235 2019) in the amount of \$21.95.

To: Bloomfield Town Council
From: Jean G. Kitchens, Tax Collector
Date: June 3, 2015
RE: Real Estate Tax abatement

The Town of Bloomfield took title to two parcels of land after October 1, 2013. When property is conveyed from taxable to tax exempt, for the first year there is a tax bill. Since the Town does not pay taxes to itself, the taxes must be abated. I have also requested from the Blue Hills Fire District that they abate their portion of the tax as well.

I am asking the Town Council to abate the Town taxes for the property at Lisa Lane, parcel 90-4 131-3 1200, in the amount of \$889.47 and also the Town taxes for the property at Blue Hills Avenue, parcel 235 2019, in the amount of \$21.95. Going forward the taxes for these parcels will be exempt.

Thank you.

Jean G. Kitchens
Tax Collector
