## **ORGANIZATIONAL DAY 2025: BUILDING A STRONGER BLOOMFIELD TOGETHER**

On Friday, June 13, 2025, the Town of Bloomfield proudly hosted its first-ever Organizational Day, bringing together employees from across departments for an afternoon focused on professional growth, interdepartmental communication, and a shared commitment to service. Held at 330 Park Avenue, the event marked a significant milestone in Bloomfield's efforts to invest in its most valuable resource—its employees.

Organizational Day was created with a clear goal: to strengthen our internal foundation so that we can better serve the residents of Bloomfield. Town Manager Alvin D. Schwapp, Jr. welcomed staff with opening remarks that underscored the importance of connection, education, and wellness in the workplace.

The afternoon featured a robust schedule of training workshops designed to enhance employee knowledge and promote a respectful, resilient, and secure workplace. Sessions included Suicide Awareness & Resiliency, Sexual Harassment Prevention, and Cybersecurity Training. These timely and essential topics addressed both personal well-being and organizational responsibility, equipping staff with tools to help maintain a safe and effective work environment.

In addition to the trainings, employees had the opportunity to enjoy music, food, and a little bit of fun!!

A key highlight of the event was the focus on departmental collaboration and communication. By bringing all employees together in one space, Organizational Day helped foster greater understanding of the collective impact we have when working toward common goals. The day also served as a reminder that each role—no matter the department or title—is vital to the success of Bloomfield's operations and service delivery.

Organizational Day 2025 set a strong precedent for what we hope will become an annual tradition—one rooted in professional development, workplace wellness, and service excellence. It was a day to pause, learn, reflect, and move forward stronger together.

Thank you to everyone who contributed to the success of the event. We look forward to building on this momentum as we continue working to make Bloomfield the best place to work!

## WELCOME TO THE SUMMER SOLSTICE!!!

Hey Team Bloomfield,

As we embrace the warmth and energy of the summer solstice, I want to take a moment to reflect with you on the closing of another impactful fiscal year. As July begins, I applaud each of you for your commitment, diligence, and resilience in helping us successfully navigate FY2025.

This year, we reaffirmed our three core guiding principles — *Respect, Sense of Purpose and Accountability*: providing excellence in service, transparency, communication, and inclusive community engagement. You have each played a critical role in making these values come alive across every department and every service we provide.

One of our proudest milestones was hosting Bloomfield's first-ever Organizational Day — a dynamic celebration of who we are and the work we do. From engaging workshops to delicious food and shared fellowship, it was a powerful reminder of the spirit that binds our organization together.

As we transition into FY2026, I encourage you all to take time to fall back, recharge, and enjoy the beauty of the season. The summer offers an opportunity for reflection, renewal, and rebirth — the same spirit that continues to fuel our growth and creativity as a municipal team.

Thank you for making Bloomfield an exceptional place to live, work, and serve.

Warm Regards,  
Alvin D. Schwapp, Jr.

## EMPLOYEE OF THE QUARTER SPOTLIGHT

**DANIEL BONILLA**  
FINANCE

### Nomination #1

I am pleased to nominate Daniel Bonilla for his outstanding contribution and dedication to improving our payroll system. His recent initiative to streamline and enhance the payroll process has significantly improved the experience for all employees and set a new standard for efficiency and employee support. Recognizing the growing concerns around accessibility, clarity, and processing time, Daniel took time to analyze the existing system, gather feedback, and identify areas for meaningful improvement. As a result of his efforts, we now have a more user-friendly payroll interface, clearer pay stub information, and faster processing of payroll changes and corrections. Implementing a self-service portal that allows employees to easily access their pay information, vacation and sick accruals, tax documents, and direct deposit details.

### Nomination #2

Dan Bonilla is new to Team Bloomfield, but came to us with a depth of knowledge that enabled him to take on his payroll position without a hitch. His customer service to TOB employees is exemplary. Aside from doing an outstanding job with payroll, he brought the TOB into the 21st Century by spearheading the ESS rollout much sooner than we thought possible. In addition, phase II of the rollout, again spearheaded by Dan, streamlined electronic leave processing. Dan's knowledge and desire to contribute is also evidenced by his willingness to help out his fellow finance employees whenever possible. Dan has proven that he is someone we can count on to put in the extra effort, provide above and beyond service to all, and do it with a sense of humor. Dan is truly a treasured asset to the TOB Community.

## WELCOME SUMMER INTERNS!!

Over the past five years, the Town of Bloomfield Social & Youth Services Department, in partnership with Capital Workforce Partners and the Summer Youth Employment and Learning Program (SYELP), has proudly offered meaningful early work experiences to more than 100 Bloomfield youth, ages 14 to 17. Through this program, students are placed in various Town departments where they gain valuable exposure to professional environments, build important workplace skills, and learn firsthand what it means to serve the public.

These internships play a vital role in shaping our future workforce by helping young people develop confidence, a sense of responsibility, and a deeper understanding of how local government works. For many, this is their first job—and their first opportunity to experience the importance of teamwork, accountability, and communication in a real-world setting.

As we welcome this year's group of Summer Youth Interns, we encourage all staff to greet them with kindness, mentorship, and support. Let's lead by example and demonstrate what exceptional public service looks like every day.

**Congratulations to all of our 2025 Summer Youth Interns!**
