On 02/28/23 at 12:45 a.m. the Bloomfield Police Department received a call from the residents of 2 Allen Road reporting their house had been shot. Responding officers found a single gunshot had gone through a bedroom window and continued through the bedroom wall before becoming lodged in an adjoining bathroom. BPD officers searched the surrounding area and located a 9mm shell casing in Pershing Park which is located adjacent to the residence. In that area footprints were observed in the freshly fallen snow that led to 113 East Harold Street.

Contact was made with the residents of 113 East Harold Street and the residence was secured by officers. Detectives applied for and executed a search and seizure warrant to search the house seizing a fully loaded Glock 19 stolen out of Vermont with an extended ammunition magazine. The pistol had an aftermarket accessory attached converting the semi-automatic pistol into a fully automatic firing weapon. In addition, over 100 rounds of ammunition were also seized.
