This evening at approximately 5:50 P.M. Bloomfield officers responded to a welfare check complaint of an unresponsive female in the rear of the building at Northwestern Drive. Officers found a 39 year old female pinned under a vehicle parked on the premises. Preliminary investigation detail indicate that the vehicle slipped off of a vehicle jack pinning the women underneath. Ambulance and fire personnel responded to the scene in to perform emergency medical aid and extrication. EMS personnel pronounced the female deceased on the scene, and the office of the state Medical Examiner was notified.

As of this writing, emergency personnel are still on scene and the investigation is ongoing.
