Town of Bloomfield Launches 60-Day Pilot Program to Enhance In-Person Service Hours

BLOOMFIELD, CT - Beginning July 7, 2025, the Town of Bloomfield will implement a 60-day pilot program to adjust in-person hours at Town Hall (800 Bloomfield Avenue) and the Alvin & Beatrice Wood Human Services Center (330 Park Avenue). This initiative is designed to provide residents with more flexible access to town services while maintaining comprehensive availability.

Under the new schedule, in-person services will begin at 8:30 AM on weekdays, allowing earlier access for those who need assistance. Additionally, offices will extend hours until 6:00 PM on Tuesdays to better accommodate evening visitors. To balance these changes, offices will close at 12:30 PM on Fridays.

"This pilot program reflects our commitment to improving service accessibility for our residents," said Bloomfield Town Manager Alvin D. Schwapp, Jr. "By adopting more flexible hours, we hope to better meet the diverse needs of our community."

It is important to note that core services such as the Department of Public Works, Bloomfield Police Department, and Bloomfield Public Library will continue to operate on their regular hours without change.

This program aligns with a growing trend among Connecticut municipalities exploring flexible scheduling to enhance resident engagement. Throughout the pilot, feedback from residents and employees will be collected to evaluate its effectiveness and guide future scheduling decisions.

Residents are encouraged to utilize online services available 24/7 for convenient access to tax payments, permit applications, property lookups, and more.
