### **Town of Bloomfield Seeks Feedback For Town Manager Search**

**BLOOMFIELD, CT** – The Town of Bloomfield has contracted with an executive search firm to find a new Town Manager. Input from residents, local business leaders, and town employees is extremely important as we find the next individual to lead the Town.

The executive search firm, GovHRUSA, has published a survey to gather feedback from the above demographics. This survey, which was approved by the Town Council on August 28, will be open for a two-week period ending on September 15. The data from this survey will help build the candidate profile being sought out for this position. Paper copies of this survey are also available at both Town Hall and the Alvin & Beatrice Wood Human Services Center at 330 Park Ave. An e-mail address has also been created for extended feedback at [bloomfield@govhrusa.com](mailto:bloomfield@govhrusa.com).

The public will be an integral part throughout the process as a meet and greet and/or public forum will be setup with finalists for the position once they are identified.

The Town Manager is the Chief Administrative Officer of the Town and reports to the Town Council. The Town Manager is responsible for the day-to-day operations of the Town, including appointment and supervision of all Town Staff; recommendation of policies, procedures, and ordinances; and the development of the Town's budget for the Town Council's consideration and approval.

More information on the search as well as a link to the survey can be found at [www.bloomfieldct.gov/TMSEARCH](http://www.bloomfieldct.gov/TMSEARCH).
