Yvette told everyone about the Bloomfield Citizens’ Academy, a 6-week program designed to give residents and/or individuals who work in Bloomfield an opportunity to take a behind the scenes look at the day-to-day operation of the town. Each week participants met at a different town building. The interactive sessions gave participants plenty of opportunity to ask questions.

Pat commented on the weekend Celebrate Bloomfield, and said that there appeared to be a lot for the children to do.

Yvette said that Phil Schenck will be guest speaker at our Father’s Day men’s breakfast at 9:30 am this coming Friday, June 14 here at the senior center.

There will be a graduation celebration for Bloomfield’s 5th Aging Mastery Program participants from 10:30 am until 12:00 noon on Monday, June 24. Commission members and past graduates are invited to attend.

Yvette noted that Bob Berman has been a tremendous help with our move into this building. She also thanked Leon, Lucille and Paula.

There was a discussion regarding reconstruction of the entrance to the restroom outside the senior center office and the handicap stall.

Yvette gave a detailed account of the completion of the move to our wonderful new building.

A new plaque with a brief biography and a picture of Alvin and Beatrice Wood is being designed for the building.

Paula noted that the tag sale raised over $700. She thanked Bob for all his help.

The Mid-summer Showcase will take place at the “new” 330 Park Avenue from 10:00 am until 2:00 pm on Saturday, August 3.

New senior center activities will be announced in the fall.
Yvette thanked the Commission on Aging for all that we do.

Shirley made a motion to approve the May minutes. Jeannette seconded. The minutes are approved.

Pat made a motion to adjourn. Al seconded. There being no further business, the meeting adjourned at 12:50 pm.

The Commission does not meet during the months of July and August. The next meeting will take place at the Senior Center at 12:00 noon on Wednesday, September 4.
