To: All Prospective Respondents

Subject: Request for Proposals (RFP) No. 1081: ENVIRONMENTAL CONSULTING SERVICES

The Town of Bloomfield invites you to submit a proposal based on the requirements of the enclosed RFP. The RFP and any addenda can be found on the Town of Bloomfield website, http://www.bloomfieldct.gov as well as the State of CT Dept. of Administrative Services website, http://www.biznet.ct.gov/scp_search/BidResults.aspx?groupid=136. The information contained herein outlines the intent and scope of the project; the guidelines governing the submission and evaluation of all proposals; and IRS Form W-9, Request for Taxpayer Identification Number and Certification which must be completed and submitted with your proposal.

We ask that your proposal conform to our format request as closely as possible. The Town may accept proposals that take exception to any requirement in the RFP. Any exception or alternative must be clearly delineated in a separate attachment to the proposal submitted. This letter, the RFP, and the proposal submitted by the successful Consultant will be made part of the resultant contract between the Town and the successful Consultant.

All proposals must be received in the office of the Purchasing and Risk Manager by 1:00 p.m. May 12, 2017.

One Original (clearly identified as such) and three (3) copies of the proposal plus a read only copy on a thumb drive shall be submitted to the attention of

Purchasing and Risk Manager
Town of Bloomfield
2nd Floor
800 Bloomfield Avenue
Bloomfield CT 06002

The Package submitted containing proposals shall be sealed, bearing on the outside the firm's name and address and plainly marked “RFP #1081; ENVIRONMENTAL CONSULTING SERVICES”

Questions about the Scope of Services, submission and other requirements may be directed to Nancy Haynes, Purchasing and Risk Manager at nhaynes@bloomfieldct.org no later than 4:00 p.m., May 3, 2017. Consultants are required to limit their contact with the Town regarding this RFP to the persons named herein.

The Town of Bloomfield looks forward to receiving your response.
1. **INTENT**

   The Town of Bloomfield is soliciting proposals from qualified and experienced environmental consulting firms to provide services for ensuring environmental compliance at multiple Town facilities.

   The Town’s has previously contracted with Woodard and Curran Inc. for stormwater and M4 permit compliance under a three year contract, which will expire on June 30, 2017. The selected consultant will provide the services defined herein for the time period described.

   The Town holds several environmental permits that, to maintain compliance, require inspections, monitoring, reporting, training, and other activities in accordance with those permits and up-to-date operation and management plans for the subject facilities. A list of Town sites managed by Public Works and notable appurtenances are listed in Annex-B, attached hereto.

   In furtherance of compliance with those permits the Town intends to retain the services of an engineering firm that has an extensive background in environmental science and engineering and related issues to perform and/or provide support for permit compliance, operation and management, pollution prevention planning and monitoring, solid waste management, storm water management, as well as on-call support, for all Town managed facilities, operations and operational areas.

   The Town will have a defined budget for these services, and it is anticipated that the services described herein will be performed over a multi-year period.

   MS4 work proposed under this RFP is intended to support the Bloomfield Public Works Department in their efforts to comply with any program requirements. The Bloomfield Engineering Department is responsible for implementation and compliance with the overarching MS4 permit program. The selected consultant’s responsibilities under this contract, with respect to MS4 work items, will include consulting, reporting, filing, inspecting, testing and advising the Public Works Department on their maintenance and reporting responsibilities with respect to the overall MS4 permit program requirement.

2. **SUBMISSION AND DEADLINE**

   2.1 All proposals must be received in the office of the Purchasing and Risk Manager by **1:00 P.M. May 12, 2017**. One original (clearly identified as such) and three (3) copies of the
proposal plus a read only copy on a thumb drive shall be submitted to the attention of the Purchasing and Risk Manager at:

Town of Bloomfield
Town Hall, 2nd Floor
800 Bloomfield Avenue
Bloomfield, CT 06002

2.2 Package containing proposals must be sealed, bearing on the outside the Consultant’s name and address and plainly marked “RFP # 1081; Environmental Consulting Services”

2.3 Questions about the Scope of Services may be directed to Nancy Haynes, Purchasing and Risk Manager, at nhaynes@bloomfieldct.org. The deadline for questions regarding this Request for Proposals is 4:00 p.m. May 3, 2017. Written clarifications or amendments to this RFP will be issued by addenda, no later than 4:00 p.m. May 5, 2017. Only information issued by formal written addenda will be binding. Addenda will be posted solely on the Town’s and State DAS websites.

2.4 Consultants are required to limit their contact with the Town regarding this RFP to the persons named herein.

2.5 The Town may entertain the submission of proposals from a team of consultants. The submission of any such proposal shall clearly spell out roles and responsibilities between the parties and identify the lead Consultant with whom the Town will contract and who will coordinate the activities of any sub-consultants.

2.6 The Town may accept proposals which take exception to any requirements in this RFP, or which offer any alternative to a requirement herein. Any exception or alternative must be clearly delineated and cannot materially affect the substance of this RFP.

3. SPECIAL INSTRUCTIONS

3.1 Consultants responding to this Request for Proposals are hereby notified that all proposals submitted and information contained therein and attached thereto will not become public information until the Town has awarded a contract to the successful respondent.

3.2 Consultants responding to this Request For Proposals must have sufficient staff and expertise to complete the required services. The Consultant must agree that all personnel assigned to this project are qualified for this type of work.

4. QUALIFICATIONS

Eligible proposers will be those firms that have, at a minimum, the following qualifications:

- Project team members with the requisite professional background, experience and qualifications to successfully complete the assigned work.
• Demonstrated ability to work with and comply with federal, state, and local government agencies and persons in official oversight/compliance capacities.
• Demonstrate that the team’s members have successfully coordinated and worked with the necessary laboratories and other technical service providers that will be used to complete the monitoring and reporting.
• Demonstrated ability to provide required services, including the ability to quickly and successfully respond to unanticipated assignments, and to perform the work within the project period.

5. **SCOPE OF SERVICES**

The work of the consultant shall include:

5.1 **Storm Water and General Permit Compliance**

a. Conduct semi-annual and quarterly storm water monitoring report sampling for compliance with the CT General Permit for the Discharge of Storm water from Industrial Activities for all Public Works managed facilities. Prepare and submit storm water monitoring reports to the DEEP in compliance with the General Permit. Make recommendations for modifications to correct discharge water quality as needed in accordance with the General Permit.

b. Conduct and prepare reports for semi-annual comprehensive site compliance evaluation inspections in accordance with the CT General Permit for the Discharge of Storm water from Industrial Activities and the Storm water Pollution Prevention Plans for the Public Works Operations facilities. Reports shall be submitted to the PWD Director and shall include recommendations to remediate non-compliant conditions observed during the inspection.

c. Provide training for Public Works (& Engineering, if necessary) employees in compliance with the CT General Permit for the Discharge of Storm water from Industrial Activities for those facilities.

d. Recommend and implement updates to the storm water pollution prevention plans for the Public Works Operations facility located at 21 Southwood Road.

e. Prepare applications for permit registration and/or renewal as needed for all Public Works managed facilities.

f. Prepare and submit miscellaneous reports on behalf of the Public Works Department to the CT DEEP and/or conduct other warranted.

g. Conduct site visits as necessary to ensure various permit compliance.

5.2 **MS4 permit compliance**

a. Consult the Bloomfield Public Works Department in their efforts to comply with any MS4 program requirements. This includes consulting, reporting, filing, inspecting, testing and advising the Public Works Department on their maintenance, program and reporting responsibilities with respect to the overall MS4 permit program.

b. Coordinate efforts with Town’s overall MS4 consultant (when selected) to ensure overall program compliance.
c. Assist in maintaining compliance with the Town’s overall MS4 General Permit, including, but not limited to recommending and assisting the Public Works Department with implementation of measures included in the Town’s Storm water Management Plan.

5.3 Environmental Compliance Audit

a. Assess each of the identified Public Works managed facilities and all applicable files and documentation in order to develop a comprehensive determination of current and future reporting requirements.

5.4 Underground Storage Tank Compliance

a. Review existing underground fuel storage tanks at 21 Southwood Road and 330 Park Avenue for compliance with applicable regulatory requirements. Provide recommendations as necessary or directed.
b. Prepare and submit annual UST notification form to CTDEEP.

5.5 Spill Prevention, Control, and Countermeasure Plan (SPCC)

a. Review, revise and update the existing Spill Prevention, Control, and Countermeasure Plan for the Public Works Facility in accordance with Federal Environmental Protection Agency’s (EPA) Oil Pollution Prevention regulations under 40 Code of Federal Regulations (CFR) 112.
b. Conduct annual training session for Public Works Department oil-handling personnel and review monthly inspection log-sheets (monthly inspections to be conducted by DPW personnel).
c. Review monthly inspections, conduct and submit annual report and inspection for SPCC compliance.

5.6 Administrative Services

a. Preparation and maintain hard-copy record keeping/filing system for environmental records generated at the Public Works Facility as well as an electronic reminder/scheduling system for recurring tasks in support of regulatory requirements.
b. Prepare and submit media ads and notifications as part of public notice requirements.
c. Prepare a Town of Bloomfield recycling brochure/literature intended to inform residents of environmental and recycling opportunities provided by the Town, and fulfilling educational requirements of the general permit.
d. Preparation and submittal of a Tier II report for each calendar year of this agreement under the EPA’s Emergency Planning and Community Right-To-Know Act (EPCRA). A report is required to be submitted for the Public Works Facility annually because it has hazardous substances on-site in excess of 10,000 pounds. The 10,000 pound threshold is exceeded for diesel, gasoline, sand, oil (motor oil, hydraulic oil, transformer oil, waste oil), and brine solution. The Tier II report shall be submitted to the State Emergency Response Commission (SERC), the Local Emergency Planning Committee (LEPC), and the local Fire Department(s).
e. Collection and laboratory analysis of the following wastewater samples, required under the Connecticut Department of Energy and Environmental Protection (CTDEEP) General Permit for Miscellaneous Discharges of Sewer Compatible (MISC) Wastewater: swimming pool filter backwash; swimming pool water draining water; blow down from
Town of Bloomfield boiler; and blow down from the cooling towers at Town Hall, Prosser Library, and Wintonbury Library.

f. Prepare recommended additions/modifications to Town’s storm water regulations in support of all plans.

5.7 **On-call Consulting Services**

a. Provide services associated with the operation, management, site investigation/remediation and other environmental compliance or engineering needs of Town facilities and properties. Services to be provided will be defined by the PWD Director during the course of the contract and shall be provided on an on-call basis. Any and all projects assigned to the Consultant under this provision shall be based on a written proposal from the Consultant, which shall be incorporated by written amendment into the contract, and be based on the hourly rate structure as submitted with this RFP.

6. **CONTRACT PERIOD**

The contract period is anticipated to begin on July 1, 2017 and continue through June 30, 2020.

Award of this contract is subject to the availability of funds.

*The Town reserves the right to make a selection on the basis of proposals alone; however it may invite selected respondents for interview at its discretion.*

8. **CONTRACT MANAGEMENT**

8.1 The Consultant will work under the direction of the Bloomfield Director of Public Works.

8.2 The selected Consultant will assign one qualified individual, who will be the firm's day-to-day contact person who will be responsible for directing and coordinating the activities of the firm's personnel in all aspects of the project.

9. **EVALUATION AND AWARD**

9.1 **Selection Criteria**

The following criteria will be used, without limitation, in evaluating proposals and determining the most responsive Consultant:
9.1a The Consultant’s technical understanding of the scope of services and proposed professional services as evidenced by the proposal submitted.

9.1b The background and experience of the Consultant in providing similar services as well as the specific background, education, qualifications and relevant experience of key personnel to be assigned to this contract.

9.1c Proposed fees and costs, although the Town is not bound to select the Consultant who proposes the lowest fees. The Town reserves the right to negotiate fees with the selected Consultant.

Proposals in response to this RFP will be reviewed against the criteria listed above, and recommendation for award will be made in accordance with standard purchasing procedures.

9.2 **Selection Procedures**

The Town intends to enter into a contract with the most responsible Consulting Firm whose proposal is determined to be in the best interest of the Town.

9.2a The Town reserves the right to reject any or all proposals or parts thereof for any reason, to negotiate changes to proposal terms, to waive minor inconsistencies with the RFP, and to negotiate a contract with the successful Consultant.

9.2b It is anticipated that several of the Consultants whom the Town determines to have submitted the most responsive proposals will be invited to interview and make a detailed presentation before the Town.

9.2c The Town shall, after a thorough review of the proposals received, and after conclusion of the interview process if needed, will award the contract to the Consultant whom the Town deems best qualified to perform the services required under this contract.

10. **PROPOSALS**

The Town will not be liable for costs incurred in the preparation of the response to this RFP or in connection with any presentation before the Town. Proposals submitted must be bound, paginated, indexed and numbered consecutively. The original proposal must be clearly marked as such. Consultants shall submit as their proposal the following:

10.1 **Letter of Transmittal**: A letter of transmittal addressed to The Purchasing and Risk Manager, which includes a statement by the respondent accepting all terms and conditions and requirements contained in this RFP. The letter should also include a brief discussion of the Consultant’s background, experience, and ability to perform this
contract in accordance with the Scope of Services. Also to be included, is a listing of clients for whom similar services were performed.

10.2 **Detailed Proposal, which includes the following sections:**

10.2a **Proposer Information:** Please provide the following information:

1) Firm Name.
2) Permanent main office address.
3) Date firm organized.

6) During the past seven (7) years, has your firm ever filed for protection under the federal bankruptcy laws? If yes, provide details.

7) Are there any other facts or information that could affect your firm’s ability to perform the types of services being sought by the Town about which the Town should be aware?

10.3 **Fee Proposal:** Consultants are required to submit a fee proposal which includes the following:

Provide a detailed, itemized plan of proposed services and complete Appendix A, Fee Proposal, and include as part of proposal submission. The Town reserves the right to negotiate the final costs with the selected respondent.

*Note: The Town is exempt from the payment of excise, transportation and sales taxes imposed by the Federal Government and/or the State. Such taxes must not be included in prices.*

10.4 **Exceptions and Alternatives:**

Proposers wishing to take exceptions to any requirement in the RFP shall state and explain such exceptions. The Town may accept proposals which take exception to any requirements in this RFP, or which offer any alternative to a requirement herein, as well as consider such exceptions and alternatives in evaluating proposals. Any exception or alternative must be clearly delineated and cannot materially affect the substance of this Request for Proposals.
10.5 **Additional Data**

Any additional information which the proposer wishes to bring to the attention of the Town that is relevant to this RFP.

All Proposals must be signed by the firm’s authorized official. The proposal must also provide name, title, address, and telephone numbers for 1) the individual with authority to negotiate and contractually bind the firm, and 2) for those who may be contacted for the purpose of clarifying any information provided therein.

11. **GENERAL REQUIREMENTS**

11.1 **Insurance:**

The selected Consultant shall be required to furnish proof of the following insurance coverage within ten (10) days of receipt of Notice of Selection. Insurance shall be issued by an insurance company licensed to conduct business in the State of Connecticut with a Best’s Key Rating of A-, VIII or better. Any and all exceptions must be approved by the Town Manager. Insurance coverage shall remain in full force for the duration of the Contract term including any and all extensions or renewal thereof. Each insurance certificate shall contain a (30) day notice of cancellation. All renewal certificates shall be furnished at least thirty (30) days prior to policy expiration. Any and all deductibles are the sole responsibility of the Consultant to pay and/or indemnify.

11.1.f The Town of Bloomfield and Bloomfield Board of Education are included as Additional Insureds, ATIMA under the Commercial General Liability and Employer’s Liability Insurance Policies. THE UNDERLINED WORDING MUST BE SHOWN IN THE SPACE PROVIDED FOR “COMMENTS” ON THE ACORD INSURANCE CERTIFICATE. Coverage is to be provided on a primary, noncontributory basis. Waiver of subrogation to be provided.

11.1.g Each insurance coverage named above shall provide not less than a 30-day notice of cancellation to the Town. All policies shall be on the occurrence form. Any and all exceptions shall be reviewed by the Town Manager.
11.1.h Cancellation or other termination of insurance policies required by this Agreement without immediate replacement thereof may be considered a default in the terms and conditions of this Agreement. The Provider agrees that such default may be cured by procurement of insurance on behalf of Consultant, at the Consultant’s expense, at Town’s option.

11.2 Hold Harmless Agreement:

The Consultant, its agents and assigns shall indemnify and hold harmless the Town of Bloomfield and the Bloomfield Board of Education, including but not limited to, its elected officials, its officers, and agents, ("the Town") from any and all claims made against the Town, including but not limited to, damages, awards, costs and reasonable attorneys fees, to the extent any such claim directly and proximately results from the wrongful, willful or negligent performance of services by the Consultant during the Consultant’s performance of this Agreement or any other Agreements of the Consultant entered into by reason thereof. The Town agrees to give the Consultant prompt notice of any such claim and absent a conflict of interest, an opportunity to control the defense thereof.

As a municipal agency of the State of Connecticut, the Town will NOT defend, indemnify, or hold harmless the successful proposer.

11.3 Conditions

Consultants responding to this RFP will be expected to adhere to the following conditions in an agreement with the Town and must make a positive statement to that effect in its proposal submitted:

11.3a The Consultant has personnel sufficient to assure service continuity and project completion and agree to maintain adequate qualified personnel for the full duration of the contract.

11.3b Agree that all work produced under this agreement will become property of the Town of Bloomfield.

11.3c Agree to provide the insurance coverage herein specified for the full duration of the contract's term, including any and all extensions.

11.3d Agree to accept and follow management direction from the Town and specifically, the Director of Public Works or his duly authorized designee.

11.3e Agree to conform to all applicable laws and ordinances and policies of the Federal Government, State of Connecticut and Town of Bloomfield.

11.3f Agree that if the Town cannot in good faith negotiate a written contract within a reasonable time with the selected Consultant, the Town may unilaterally cancel its selection of that Consultant.
11.3g Agree that periodic payments to the Consultant will be made as agreed upon in the signed contract.

11.3h Agree that if services are not performed in a timely manner so as to meet the Town’s stated time frame, the Town may withhold payment, or portions of payment as liquidated damages in amounts of no less than $250 per day for every day or portions of the day that timeframes are not met.

11.3i Agree that the Town reserves the right to terminate the contract at any time. In the event of contract termination, the Consultant shall be entitled to payment for approved services rendered after the execution of the contract and prior to receipt of notice of termination. However, if the Consultant has damaged the Town, said payment may be withheld until the Town determines whether or not by how much said payment should be reduced.

11.3j Agree that the contract between the Town and the Consultant shall be governed by and construed in accordance with the laws of the State of Connecticut and the ordinances of the Town of Bloomfield.

11.3k Agree that no conflict of interest exists. Identify the nature of any potential conflict of interest your firm might have in providing services to the Town under this RFP. Discuss fully any conflicts of interest, actual or perceived, which might arise in connection with your firm's's performance of the proposed agreement. If conflicts do or might exist, describe how your firm would resolve them.

11.3l Agree to protect and safeguard Town confidential information. If there is a security breach that affects Town confidential information while that information is in the possession of the Consultant, the Consultant will pay for any and all costs incurred with that security breach.

12. **ANTI COLLUSION STATEMENT**

Proposers and their employees, officers, advisers, agents or sub-contractors must not engage in any collusive bidding or other anti-competitive conduct, or any other similar conduct, in relation to:
- the preparation or submission of Proposals;
- the clarification of Proposals; and
- the conduct and content of negotiations, including final contract negotiations, in respect of this RFP or procurement process, or any other procurement process being conducted by the Town in respect of any of its requirements.

13. **TAXPAYER'S IDENTIFICATION NUMBER**

Each Consultant, whether an individual, proprietor, partnership or a non-profit corporation or organization must obtain, complete and include, with the proposal submitted, an Internal Revenue Service Form W-9, "Request for Taxpayer Identification Number and Certification".
14. **ADDITIONAL INFORMATION AND REVISIONS TO PROPOSALS**

Information may be provided to potential respondents for the purpose of clarification to assure full understanding of, and responsiveness to the Request for Proposals requirements. Prospective respondents shall be afforded fair and equal treatment with respect to access to additional information and revision of proposals.
