I. PURPOSE

There are currently five (5) flag poles or yardarms maintained on Town-owned property. From time to time the flags need to be lowered in honor of certain events. Outlined below is the notification chain when action needs to be taken, and for assignment of responsibility for physically lowering and raising the flags at each location.

The Town of Bloomfield also establishes the following guidelines regarding the display of commemorative or organizational flags on Town-owned properties. This policy states that flagpoles owned or maintained by the Town of Bloomfield are not intended to serve as a forum for free expression by the public, rather for the display of commemorative or organizational flags authorized by the Town Council.

II. RESPONSIBILITY

The Town Manager’s Office is responsible for notifying the Public Works Department who shall be responsible for notifying the parties listed in Section VI. B. below to physically lower or raise the flags.

III. FORMS

IV. POLICY

A. The Town Council may authorize the display of a commemorative or organizational flag at Town-owned properties.

B. The Town Council shall only consider a request to display a commemorative or organizational flag if the request is made by a member of the Bloomfield Town Council for a regular or special Town Council meeting. Further procedural requirements are outlined in Section V.
C. At a Town Council meeting, a majority of Council members would need to agree to fly the commemorative or organizational flag.

D. Each commemorative or organizational flag cannot be flown more than once a year and will be displayed for a period of time that is reasonable or customary for the duration of the event or seven (7) continuous days. Only one commemorative or organizational flag will be allowed to be displayed during any time period.

E. Commemorative and organizational flags must be temporarily donated for the Town’s use and be clean, without holes and tears, and made of an all-weather fabric. Commemorative or organizational flags must be the same size or smaller than the United States of America and State of Connecticut flags that are flown. The Town will not be responsible for the condition of the commemorative or organizational flag once flown and may dispose of any such flag not picked up within thirty (30) days after it has been flown. The Town will not purchase the commemorative or organizational flags.

F. If any other flag is flown at half-staff, the commemorative or organizational flag will be flown at half-staff.

G. A commemorative or organizational flag as defined in this policy shall mean a flag that identifies with a specific historical event, nation, or group of people that the Town Council chooses to honor or commemorate consistent with the Town’s mission and priorities. The following are not allowed as commemorative or organizational flags and will not be considered by the Town Council:

V. **PROCEDURE FOR COMMEMORATIVE OR ORGANIZATIONAL FLAG FLYING**

Any Town Council member who receives such a request can choose at his/her own sole discretion to request that the full Town Council vote to adopt a certain commemorative or organizational flag.
