**Preschool Programs**

**Creature Feature, Volume 1 - Animal Friends:**

*Mad Science Workshops*

*Ages 3.5-5*

*Thursday, July 7th*

*4pm-5pm*

*$30/Two 30min Workshops*

Alvin & Beatrice Wood Human Services Center

Creature Feature, Volume 1 - This portion explores the many different characteristics of animals and why they exist. What features can we use to identify different animals? Creature Feature Volume 1 focuses on identifying animals based on size, where they live, and types of body covering.

Animal Friends - Interactive and hands-on activities will assist preschoolers with this introduction to animals. After this workshop children will understand that animals make different sounds and noises; animals have different types of coverings for their bodies such as fur, scales and feathers; animals look different from the time that they are babies to when they are adults.

**Paws and Pages with the CT Humane Society**

*Ages 3-5*

*Thursday, June 9th*

*4pm-5pm*

*$2/Child*

Alvin & Beatrice Wood Human Services Center

The Paws and Pages program is designed for early learners interested in pets. A Connecticut Humane Society Educator will share a pet-themed book and then lead an interactive discussion about safe and kind interactions with the type of companion animal featured in the book.

*Important note- no live animals will be at the programs for safety, allergy and distraction concerns. Instead, life-sized plush pets for hands-on demonstration and interactive learning.*

**Smart Skills Basketball Camp**

*Grades PK-2nd*

*Week 1: Monday, July 11th - Friday, July 15th*

*Week 2: Monday, July 18th - Friday, July 22nd*

*Week 3: Monday, July 25th - Friday, July 29th*

*5:30pm-6:15pm*

*$50/Resident/Week*

This week long camp for children in preschool-2nd grade features instruction of basic motor skills necessary to play organized basketball.

During the week, children and their parent/guardian will focus on development of skills in dribbling, passing and shooting. One parent/guardian is required to participate with the camper.

Sign up for one week or for multiple weeks and watch your camper’s progression from start to finish! Camp space is limited - make sure to register early.

**Space Frontiers - Energy and Motion:**

*Mad Science Workshops*

*Ages 3.5-5*

*Thursday, August 4th*

*4pm-5pm*

*$30/Two 30min Workshops*

Alvin & Beatrice Wood Human Services Center

Space Frontiers - Take your group on a trip through the solar system and sign them up for the Mad Science Astronaut in training program where they will learn all about the elements of space. Students will even get to take their very own mini racket home.

Energy and Motion - Children explore the concept of energy and how energy gets things moving in this workshop that uses toys to help explain simple energy ideas. They will take home toys called “Boinks” that will help them remember how energy and motion are related.

**Magnetic Attraction - Slime Science:**

*Mad Science Workshops*

*Ages 3.5-5*

*Friday, September 9th*

*6pm-7pm*

*$30/Two 30min Workshops*

Alvin & Beatrice Wood Human Services Center

Magnetic Attraction - Experience the poles and power of magnets in this hands-on workshop. Children will get to discover how magnets work and what materials are magnetic. They take home their own magnet wands to continue the exploration at home.

Slime Science - Slime Science provides an entertaining lesson on polymers and their properties. These relatively complex chemistry concepts are introduced to children in tactile, visually engaging experiments. Students create cross-linked polymers based on their observations of the properties of polymers and cross-linking agents. Everyone gets to make his or her own slime to take home.

**Creature Feature, Volume 2 - Bugs:**

*Mad Science Workshops*

*Ages 3.5-5*

*Thursday, July 28th*

*4pm-5pm*

*$30/Two 30min Workshops*

Alvin & Beatrice Wood Human Services Center

Creature Feature, Volume 2 - This class explores the many different characteristics of animals and why they exist. What features can we use to identify different animals? Creature Feature Volume 2 focuses mostly on how animals camouflage themselves from predators.

**Preschool Tumble Class with World Cup Connecticut**

*Preschool tumble class is designed to encourage whole body exercise, including development in strength, flexibility, and coordination. Classes are structured, but not rigid so that children are able to channel their physical energy while learning to socialize with other students in a safe and fun environment.*

All tumbling instructors, from World Cup Connecticut competitive cheerleading gym, are USASF certified in tumbling instruction of all levels.

**Paws and Pages with the CT Humane Society**

*Ages 2-4*

All classes are held at Talcott Mountain Science Center 99 Gibraltar Lane, Avon CT - parents are responsible for their child's transportation to and from the programs daily; program does not cancel on inclement weather days. Program runs daily from 9am-4pm, please pack a lunch and snacks daily as they are not provided. Activities are classroom-based summer instructional programs. Registration closes June 17th or until all 10 slots filled.

**Classes Offered:**

(One Class Choice Per Person)

**Lego Science- Grades K-3 from July 5th- 8th**
- From cars to catapults, from motors to MARs rovers, you can explore science and technology with LEGO. Compete in engineering challenges, build skyscrapers, crazy contraptions and dream machines.

**Future Engineers- Grades K-3 from July 5th-8th**
- Like to tinker? Take things apart? Build cool stuff? We'll have design contest, speed building, LEGO prototyping and new inventions from everyday objects. You can even earn a "Talcott Patent". Bring your busted stuff from home our use ours!

**Computers Animation- Grades 4-8 from Aug. 1st- Aug. 5th**
- From classic cells to the latest motion-capture systems, we'll show you how to do the pros work. You'll create original short animations using handmade animation toys, paper-based and computer-based techniques, and stop-action and "tweening" tools. Come showcase your story telling artistic and creative talents.

**Computer Graphics- Grades 4-8 from Aug. 1st- 5th**
- Unleash your artistic side in computers- great graphics, powerful pictures, 3-D scenes and fantastic scenes from out-of-this world!! You'll use the power of professional graphics tools to create a digital portfolio full of your original artwork and projects.

**Camp Invention- Grades K-6 from Aug. 8th- 12th**
- This year's all-new program is designed to inspire confidence and persistence, build essential STEM (Science, Technology, Engineering and Mathematics) skills and improve reading skills. This year's workshops include Robot Aquatics, Space cat ion, Inventor's Attic and Marble Arcade.

**Girls Rock! - Grades K-3 from Aug. 8th- 12th**
- Girls Rock-not just in geology, but in lots of other neat sciences too! Fun and engaging activities stress discovery skills, from rock/mineral/fossil ID to biology and chemistry! Plenty of hands-on STEM can build confidence in going female's scientists.
CODE WIZ

Code Wiz is an award-winning coding school for kids! This summer, get ahead and stay ahead by learning code. Structured and personalized fun learning your kids will love. A chance to collaborate with other students, build their own apps, challenge their skills and learn the latest technology. Online workshops are each a week long, Monday through Friday for two hours per day. This program is being subsidized through STEM funding through the Town of Bloomfield.

*These are virtual/online programs*
$50/Child/Course

Make Your Own Roblox Games - Ages 7-9 & 10-12
June 20th-June 24th
Become a Roblox game wiz using Lua! Create versions of your fairy tale universe with Roblox. Roblox studio has all the tools to make your wildest gaming imaginations a reality, in this camp, you will learn how to make use of the many tools on Roblox to code terrific games, relaying your imaginative capabilities to the world. Through drag and drop techniques, you’ll be creating extensions to the Roblox game while fostering your creativity and learning real-world computer coding.

*PC or MacBook REQUIRED - Chromebooks will not work for this program*

Coding With Minecraft - Ages 8-12
June 27th-July 1st
Explore, create or survive! Mine deep into the Minecraft world and created the future... In this creative camp, challenge the odds craft your own kinds of weapons and build dream worlds using code. Do all of this while also learning fundamental programming concepts, level design and program solving skills. You will make use of ready-made coding blocks to create mini versions of Minecraft games.

*PC or MacBook REQUIRED - Chromebooks will not work for this program*

Make Your Own Games and Animations - Ages 7-8 & 9-12
July 4th-July 8th
Dive into the world of code by coding your own space shooter games, trivia games, music bands, computer generated art and math simulations or tell a story! You can also use code to create science and social science projects. You will get to incorporate what you are passionate about into the programs you create. The confidence in being unique will be taught and communicated through their code creations.

For More Information Please Contact Bloomfield Leisure Services 860.243.2923
ADULT PROGRAMS

WAIVER OF PARTICIPANT OR SELF AND PHOTO RELEASE

In consideration of my child’s/ward’s participation in the Town of Bloomfield Leisure Services Programs, including travel, I / we the undersigned do hereby agree for myself / ourselves, my / our child, ward, heirs, executors, administrators, and legal representatives that there are inherent risks involved in Town of Bloomfield Leisure Services programs. 1) I / we, for myself / ourselves and for my / our child, ward heirs, assignee(s), successors, executors, administrator(s), and legal representatives, acknowledge that such activities are potentially hazardous and pose a risk of injuries that can be significant and that I assume such risks. 2) I / we, for myself / ourselves and for my / our child, ward, heirs, assigns, successors, executors, administrators, and legal representatives, agree to defend, indemnify and hold harmless Town of Bloomfield and its agents, servants or employees from any and all claims, suits or demands by anyone arising my / our child’s/ ward’s use of the Town of Bloomfield facilities and equipment. 3) I / we, for myself / ourselves and for my / our child, ward, heirs, assigns, successors, executors, administrators, and legal representatives, hereby release the Town of Bloomfield and its agents, servants or employees for damages for personal injury sustained by my / our child / ward while using the Town of Bloomfield facilities and equipment. I / we have read this waiver, hold harmless agreement and release of liability and fully understand its terms. I / we attest that the above information is correct and that my son / daughter is in good health and physically able to participate in Bloomfield Leisure Department Programs. I / we authorize the release of any medical information necessary for the Bloomfield Leisure Services Department, Bloomfield Working Parents, The Early Learning Center, or The Bloomfield Extensions program to process my child’s/ ward’s registration in either recreation programs or before & after care services. I/we authorize all representatives of the Bloomfield Leisure Services Department to act on my/our behalf for the purpose of obtaining emergency medical treatment for the registrant. Please note: Insurance. All persons participating in Leisure Services programs should carry their own personal health insurance. The Town of Bloomfield is not responsible for personal injuries. Participants in all department sponsored programs do so at their own risk. Only those enrolled in the program may attend.

Photo Policy. By registering for a program, you give the Bloomfield Leisure Services Department permission to take and use photos of you/your child participating in the program for the department’s promotional purposes. If you don’t want to have you/your child’s photo used in promotions, you must include this request in writing along with the registration form. The Town of Bloomfield’s child and youth programs are not licensed by the Office of Early Childhood.

Self or Parent/Guardian Signature ___________ Printed Name ___________ Date ___________

RESIDENCY POLICY

Non-residents may attend programs, activities or special events (unless indicated as a resident only program/activity/special event) at an additional fee. Proof of residency is required at time of registration.

REFUND POLICY

Refunds for programs will be given only if a recreational activity is cancelled due to lack of registration or department activity schedule change is made. Refunds for recreational activities will be given for proven medical reasons. However, refunds must be requested before the first activity period and must be put into writing and submitted either in person or by email to Recreation@BloomfieldCT.Org. Once an activity begins there will be no refunds for that program unless initiated by the department. Checks returned for insufficient funds will be charged an additional $25 fee.

*The Bloomfield Leisure Services Department has made every effort to prepare this publication as accurately as possible. However, errors may make it into print and circumstances may require program adjustments to fees, schedules, etc. We reserve the right to make such changes. We apologize in advance should you find an error or for any inconvenience these errors or adjustments may cause.*
